PTSD - Post Traumatic Stress Disorder
The exposure of the lower extremity seems to point to an act done by a doctor, therefore this criminal act must be thoroughly investigated to uncover its evil intents.
Recently, there were a number of repeated occurrences where young girls were victimized.
This traumatic incident too caused the victims to develop PTSD symptoms

This is our Romance Club and even if this unusual task causes some anxiety, we should solve this case
Looks like me?!
Those 8 middle school girls look the same as I do As there're countless cute female students enrollees,
when the pervert strikes it will surely go unnoticed
Amana !!
?
That's it!!!
Mizuho !!
Wh...
what's it Riku?

From now on, we will track down the pervert at large.
Ehh!!?

No way!!! Riku, this is embarra-ssing!!
My….. my… Give it a try.
I'm worried about this you know!!!
Amana, please say something !!!
Mizuho
It does suit you well
Noooo!! This is too much.

What're you girls trying to do?
Ahh ...
Asaga sensei!!
.....
Oh, I see...

The bag you girls have will also be a burden.... Isn't this too much for the starter
sigh...
Lolita complex to apprehend the pervert ...and
Your Romance Club's obscured action on this case will draw criticism due to the fact you girls will be viewed as using
Wait a moment!!!
I as the vice president too have no idea about this....
At any rate, I as the advisor certainly have no idea how you girls are going to proceed with this...
Romantic Detective Club Note
Please have a look at this!!!
ゴソゴソ

Romantic Club Action Plan…
Our plan is to engage in a conduct with a purpose to arouse the feelings of the person involving a heart throbbing action.
That would be….
What I meant was this "heart throbbing" action as a part of our plans.
Hyaaa!!!
I see… So this was what you were talking about
Ple… please stop it!!!
Hmm
If this is something… you girls can come up with…
Not you too, sensei
Ehh!!
You are leaving already?
Only flipping the skirt?
Never mind, forget about it…
See you girls later.

Now, let's start searching for that pervert.
Professor Yamato

Professor, there are a few guests waiting outside.
……
Don't let them in
Let's break in!!!
Wait!!! Wait for me, Riku!!!
ピーン
Hell Yeah!!! We broke in!!!

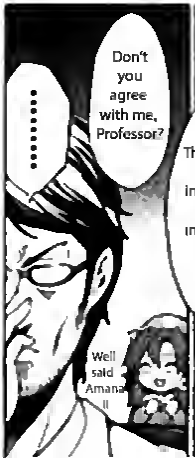
Who the hell are you?!
Oh, what!?
Riku, Who is this person?
He is the Physiologist, Professor Yamato and
is my Dad's longtime friend
That was the past
He had an astounding personal history of apprehending underwear thieves
.....
Ohh...
So....for the sake of catching this pervert, you came to seek
an advice from a criminal physiologist right?

This is it!!
Yeah
Listen up girls, before you could lay your hands on this pervert... He would have long been caught by the police.
What the..... There are a number of occurring cases of indecency involving young girls.
As of now, he is actively targeting the public as well.
Yeah that's right. Please tell us how to deal with this pervert.
Tch Nonsense
Ahh!!
Tch ....
Know this..!!

Out of curiosity, you girls meddled into this affair without knowing that it will not change anything.
What the hell did you just said!?
Professional Criminal Physiologist like me have no time to fool around with kids like you!!
You bird brains!
Don't you realize this from the very start!?
Err
We're not doing this out of curiosity ...
We're doing this to better understand how the pervert would think and act This can prevent the public from becoming the victim by increasing the awareness about this problem thus taking extra precautions.

Humans are short-sighted. Therefore by increasing their understanding about this crime, they can better protect themselves from it
The battle against crime is endless, even you should know this very well, Professor
Not to mention, the general populace must know the different kind of crimes that they are facing and it will be meaningless if we do not have the co-operation from the populace to reduce the crime rate.

That is fine....
If that's what you say.....



Don't you agree with me, Professor?
Well said Amana !!

i too share the same feelings of detest towards this sinful crime
Therefore, it is important for us interfenng in this matter

your sexy pose right here!!!
Show me.....
I can do it.
but to lure the pervert out in the open, you girls need to at least improve your skills.
Your sentiments were well conveyed.
That's right.
Se.....
sexy pose?
Here we go!!!
Ehh!!!
Ehh!! Am I supposed to do that too?
Listen up!! Let's show him what we are made of!! Let's do a sexy pose!!
Of course!!
I will work with you girls in apprehending this pervert.
I apologize and will take back what I have said earlier.
Professor

ぴょん
Like this pose?

What the …..!!!
Never mind, you girls can go home now
Yeah….
Firstly, you!!!!
Where did we go wrong!?
If I tell you, will you be able to understand it?
You are a total failure…
What about me!?
And you!!!!
?
You are next!!!
I have nothing to say about you.

I was foolish to put my hopes on you girls.
You girls couldn't even satisfy me.
Sob That is horrible.
Kyaaaaa !!!!
もにゅ・もにゅ
What is with your outrageous breast!!
You should all know it by now ……!
You girls will fall badly as decoys.
That means……
Don't ever let me see this stupid lolicon act of yours again.
I am absolutely done with you girls… Your time is up!!

Not cute at all!!!!!!!
The truth is you're
....I haven't even turn 13 years old yet...
And have the intention to act as the decoy while thinking you are cute but.....
You said you possess the appearance.....
Your thoughts are seriously flawed....!!
What you little girls are doing is a blasphemy!!!
I still have to write a thesis report.
If you understand what I have just said, get your asses out of here...

I guess we should just try again....
From now on, what should we do?
Sigh..... why is this happening .....
My.... my....
Riku please cheer up...
Sigh..... Maybe we should give it a try and search for the pervert...
Yeah, I guess you are right
Isn't it time to go home now?
A young girl is crying for help.

Oi
I am so glad we caught that perverted guy.
You were not aware about this at all?
Ehh?
Due to your active role in this case, the decision to abolish the club was postponed
I am appointed to your club too.
Oh Asaga
You should be glad that you are given an extra week before your club will be abolished
Are you serious ?
Hmm
That's right
Abolish ?
What the.. We barely survived this abolishment for now
However I am not too sure if they will give us more time even if we managed to solve another case
